Dear Mr. Caldwell:

We received your Transfer of Notice of Intention for Small Mining Operations on June 25, 1996. The Pebble Puppy #1 mining operation is proposed to be transferred from Hiko Bell Mining and Oil Company to Bluebell Oil Company. Our Director signed and executed this transfer July 3, 1996. By this letter, Hiko Bell Mining and Oil Company is hereby released from further reclamation responsibility associated with the Pebble Puppy #1 mining operation. All mining and reclamation at this site is now the responsibility of Bluebell Oil Company.

If you have any questions regarding this letter, please contact me. Best of luck to you in your new mining venture.
